## HOST CLUB RESPONSIBILITIES

### **Race Course**

A start line with at least three markers must be available. The centre marker must be suitable for mooring a small motorboat for the Starter and Finish Timer.

At least one turn marker 200m up-course from the start line, well delineated from any other markers on the lake, to mark the turn. A three-point turn is optional but not required.

### **Start Area**

Boat or dock should be available at start line for starter.

### **Finish Area**

A defined area accessible only by the support staff. The area will have tables (2), chairs (6), covered shelter and an unobstructed (preferably raised) view of the finish line. This area should be cordoned off and free from interference.

### **Boat Launch Area**

Good clear access to docks must be available. There must be enough dock space to handle four war canoes or K4's at one time.

### **Washrooms**

Adequate washrooms must be available on site and accessible to all staff, volunteers, athletes and spectators. There must be male and female designated washrooms. For larger events washrooms may need to be rented and brought on-site in order to meet the demand.

### **Parking**

On-site parking must be available for trailers and tow vehicles. A maximum of five spots must be made available for trailers, which may or may not have tow-vehicles attached. A maximum of 15 spots close to the tower and boats (if possible) must be reserved.

### **Boats**

All boats being used for the regatta must be fueled at the beginning of each day.

### **Safety Boats**

For all ADCKC regattas there must be a minimum of three (3) safety boats. Under the Safety Boat service provided by MFR Rescue Ltd. the following will be provided:

- 2 Safety Boats
- 2 Motors
- 3 Qualified Safety Boat Personal (who also drive the boat)

Host Clubs must provide the following:

- 1 Safety Boat
- 1 Motor
- 3 Safety Boat Volunteers

The host club MUST provide 3 safety boat volunteers for the duration of the event.

### **Weather**

The club should have all necessary weather bureau telephone numbers available to the ADCKC Regional Coach. A portable radio or phone line and Internet access should be available on location.

In the event of cold weather access to a heated building or shelter must be available as well as hot liquids and blankets.

### **Coach & Athlete Briefing**

There will be no scratch meeting for the Club Hosted U11 regattas. There will be a coaches and athletes briefing one hour prior to the start of the first race.

**Canteen**

The host club reserves the right to host a canteen and to benefit from the profits of this canteen.

**Drinking Water**

There must be access to drinking water on site free, or for purchase. In addition, water must be available for emergency situations for athletes and spectators should they require it.

**Results**

The host club must provide a suitable and accessible area to post results that has internet connectivity. All results for U11 will not be sorted, as participation is the main focus.

**WiFi Access**

Host clubs must provide suitable WiFi for ADCKC staff during the event.

**Safety**

The Regatta must meet all safety standards as outlined in the CanoeKayak Canada Code of Safety and ADCKC Code of Safety. If you require copies of these documents please contact the ADCKC General Manager.

**Contact Person**

The club must name a Contact Person for the ADCKC. This Contact Person must be available the week of the regatta by email or phone and the day of in person.
