

## DRAFT CARDING CRITERIA - SUMMARY DOCUMENT

Finalized criteria to be published by the middle of February 2012.

The number of cards awarded to CKC is being reviewed by Sport Canada and the revised number of cards awarded will not be available until approximately May 2012, after the publication of this document. The equivalent of 40 Senior Cards were awarded to CKC in the 2011-2012 carding cycle. The criteria is created on the basis that the total number of cards will not be known until after publication of the document.

### Categories of Cards

- International
- Senior
- Development U23 (*new*)
- Development U21 (*this is the existing Development Card category*)
- Development Junior

### Distribution of cards per discipline

Athletes nominated to the Olympic Team will automatically be carded at the SR level. Each class in the Senior, Development U23 and Development U21 categories will be allocated a minimum number of cards. There will be a pool of Senior cards that will be distributed across classes in order of priority based upon performance. Crew boat performances at World Cups will count towards carding.

### Eligibility for Carding

To be eligible for carding minimum levels of performance must be met. These will be identified by Performance Indicators for the Senior, Development U23 and Development U21 cards.
