Note: 500m races are seeded from Mens U18 and Open events, with lanes filled ONLY by athletes who reach both the 1000m AND 200m finals in their disciplines. Empty lanes in the 500m mens finals, will not be filled.

The 500m race does NOT give the winner an automatic selection, but gives extra points to the first 5 placements, to be used in the overall rankings. Simply: a male athlete cannot make the team by being just a good 500m paddler but rather a strong 500m finish can help shift the balance for a well rounded athlete.

This is a reflection of the change internationally to 500m for Mens K4 and C4 at the Senior level.
