

FIRST START: 4:00 PM (Paddlers meeting at 3:30)

Singles are in C1's OR mini type K1s - **NO** Full size K1's – no exceptions if a paddler shows in in a Nelo Cinco, their time will not be recorded

As a paddler leaves the dock, ensure they have THEIR number on the boat. If they are in both C1, AND K1, they should have a different number for each. Numbers will be provide. If a number gets lost, just make sure the paddler knows what it is. I will ask at the start/finish line! – (Make this the second option, not the first just because you don't feel like putting numbers on boats...)

Please do not flood the start line with boats. Just because you have 10, 20, 30 Lightnings does not mean it makes sense to send them all out at exactly 4:00! If we are confused and frustrated, chances are the kids will be too!

In the singles events, Paddlers can start ANYTIME within the 90 minutes between 4:00 and 5:30. Starts are not boys, girls, kayaks, or canoes, they are simply started when the paddlers are ready to go and may or may not be with other paddlers of the same class. Paddlers are free to organize races against their friends, or go on their own if they choose

When 1 or more paddlers are at the line to start, they will be sent off, and their start time recorded. They will proceed to the 200m line or predetermined marker, and back to the finish for a distance of around 400m. Crew boats are a straight 500m course.

In singles, paddlers may go more than once if they like, provided they do not interfere others getting a chance! A couple of hard efforts is better option than keeping the boat away from someone else who wants to try.

Singles Starts will end at 5:30 SHARP, or earlier if there are no more starters coming to the line.

Crew boat races will start at 5:40 or earlier, at the 200m startline (not the same startline of the singles). Just get the kids out there! As long as they have THEIR boat number, and the crew is recorded with the staff, they will get a time and a result. Who they race against is not important – as long as they get to the start they will get a time. C4s are to have coxswain UNLESS they have very strong boat skills. Coxing a C4 is considerably faster than drifting down the lake sideways trying to figure out what to do!

That's it! It's really not complicated once we get going!

Results will be posted on the ADCKC.CA website after the regatta (usually by the next morning)s!

Turn left around the turn marker(s)

200m Turn

Finish on the other side (Red Flag Side) of the motorboat

Start to the right (Green Flag Side) of the motorboat
