

**ATLANTIC DIVISION
CANOEKAYAK CANADA**

Here's your chance to support the ADCKC's Equal Opportunity Fund (EOF) and enable young athletes to afford their training and competition expenses.

FUNDRAISING CASH SURVIVOR

The Top 3 Survivors will be awarded Cash from the total pot; as follows:

- 1st Prize: 50% of the pot
- 2nd Prize: 30% of the pot
- 3rd Prize: 20% of the pot

THE RULES:

Participation is \$20 per entry (\$10 donation to the EOF, \$10 to the pot). The 'buy-in' period runs **from August 15th, until August 26th at noon Atlantic time.**

For 10 days, the first draw starting August 28th, a state-of-the-art computer program will randomly generate names. The names generated have been "voted off the island".

But wait, that does not have to be the end! If you are eliminated on or before September 5th you can pay \$10 to buy back into the pool with our Immunity option. The \$10 must be received by 11:59pm on the same you are eliminated. (Note: you can not skip days to give yourself an advantage.)

So, the question is: Can you "outdraw, and outlast" the rest of the competitors?

How to Enter:

1. E-transfer your entry fee to the ADCKC (eofund2017@gmail.com) using the following question and answer: Name of organizer – Robin
2. Include your full name, email, and phone number in the comment section.

How to Follow the Pool:

1. The Atlantic Division CanoeKayak Canada social media accounts (Facebook, Instagram, and Twitter)
2. Email - You will be added to the email list once your \$20 entry fee is received. **Deadline for entries is August 26th at noon.**

Winner will be announced **September 6th** and the Cash Prizes will be distributed via E-Transfer.

Thank you for your support!
