

FIRST START: 4:00 PM (Paddlers meeting at 3:30)

Singles are in C1's OR mini type K1s (**NO** Full size K1's)

As a paddler leaves the dock, ensure they have THEIR number on the boat. If they are in both C1, AND k1, they should have a different number for each. Numbers will be provided by the Regional Coach. If a number gets lost, just make sure the paddler knows what it is. I will ask at the finish line! – (Make this the second option, not the first just because you don't feel like putting numbers on boats...)

In the singles events, Paddlers can start ANYTIME within the 90 minutes between 4 and 5:30. Starts are not boys, girls, kayaks, or canoes, they are simply started when the paddlers are ready to go and may or may not be with other paddlers of the same class. Paddlers are free to organize races against their friends, or go on their own if they choose

When 1 or more paddlers are at the line to start, they will be sent off, and their start time recorded. They will proceed to the 200m line or predetermined marker, and back to the finish for a distance of around 400m. Crew boats are a straight 500m course.

In singles, paddlers may go more than once if they like, provided they do not interfere others getting a chance! The record is 8 times!

Singles Starts will end at 5:30PM SHARP, or earlier if there are no more starters coming to the line.

Crew boat races will start at 5:30, at the 200m startline (not the start of the singles). Just get the kids out there! As long as they have a boat number, and the crew is recorded with the staff, they will get a time and a result. Who they race against is not important – as long as they get to the start they will get a time. C4s are to have coxswain UNLESS they have very strong boat skills. Coxing a C4 is considerably faster than drifting down the lake sideways trying to figure out what to do!

That's it! It's really not complicated once we get going!

Results will be posted on the ADCKC.CA website later in the day!
